

# IELS 86 : Intensive English-Intermediate Level-Listening

**Credits** 6

This course is for non-native English speakers who wish to improve their English. The course will focus on listening and speaking skills at the intermediate level. This class will include students from multiple sections.

**Prerequisites**

On-campus assessment in all skill areas or successful completion of [IELS 83](#). Non-transferable.

**Course Outcomes**

- Express ideas fluently, accurately, and appropriately in spoken American English at an intermediate level.

- Comprehend and respond appropriately to spoken American English at an intermediate ESL level.

- Demonstrate intermediate knowledge and use of American cultural conventions in oral communications.
