

Complete Your High School Education

We offer Adult High School Diplomas where students can earn college credit while completing a Peninsula College High School Diploma. This program is for adults 19 years of age or older who did not complete high school. They'll earn a valid diploma which meets State of Washington requirements.

An individual 21 years or older who completes an associate degree may ask for a state high school diploma from the college upon written request. Individuals under this category are not eligible for funding provided for K-12 students. These students are not required to complete the State Board of Education's graduation requirements.

A student enrolled through Running Start who completes an associate degree may be awarded a state high school diploma from the college upon written request from the student. These students are not required to complete the State Board of Education's graduation requirements.

We also offer the High School+ (HS+) program which is designed for adult learners, 18 years of age and older, who are interested in acquiring their high school diploma. HS+ classes prepare students for college and career pathways while fulfilling the high school diploma requirements of Washington State.

Credits earned in HS+ courses count toward a high school diploma may be used as dual high school/college credits.

Students have the potential to use life experience to earn high school credit and credit is awarded based on competency rather than seat time. Opportunities through this program are also available for students aged 16 years and older. For more information, contact the Transitional Studies Department at (360) 417-6380.
