

# MAKAH 122 : Makah Language II

**Credits** 5

**Quarter Offered** Winter

Builds from the Introduction to Makah Language ([MAKAH 121](#)) foundation where speech was patterned in the moment. [MAKAH 122](#) incorporates the past tense including functional words to slightly increase speech using words like but not limited to and, or, but, this, that, with, also. Furthermore, the use of past tense scenarios from select Makah historic incidents and traditional story examples will be used to enable learners to apply past tense to share stories from their own lives in Makah. This class may include students from multiple sections. (Elective)

**Prerequisites**

Completion of [MAKAH 121](#) or instructor permission

**Course Outcomes**

- Identify spoken or written past and present tenses.

- Make use of Makah audio and written materials from select history and story narratives to examine past tenses usage.

- Construct past tense statements using a life experience to share.
