

MAKAH 123 : Makah Language III

Credits 5

Quarter Offered Spring

Builds grammatically to future tense constructions. Target vocabulary expands to include the five senses and lead words like auxiliary verbs, size, degrees, adjectives, question words, location and emotion. Common phrases to express opinion, thought and planning will be used to help speakers express themselves in the language. This class may include students from multiple sections. (Humanities, Elective)

Prerequisites

Completion of [MAKAH 122](#) or instructor permission

Course Outcomes

Apply future tenses suffixes to create sentences about future events.

Compare charts to aid understanding, speaking, reading, or writing in Makah.

Increase descriptive and lead word vocabulary: auxiliary verbs, color, size, emotions, locations, question words.
