## **HONOR 250: Honors Capstone Projects**

## Credits 2

## **Quarter Offered Spring**

Students complete all aspects of their individual project, including background research activities, submission of a final product and its public dissemination; a critical examination of the project using integrative knowledge; and lastly, a self-reflective video on the project's value to their undergraduate experience. Students must receive a passing grade on their project to successfully complete the course. Acceptance into the Honors Program is required. This class may include students from multiple sections.

## **Course Outcomes**

Students will use integrative knowledge to assess project work of others in humanities, natural sciences and social sciences.

Students demonstrate ability to design, complete, and present an honors project.

Students will use integrative knowledge to assess their own project and to reflect upon the project's value to their undergraduate experience.
