

# IELS 86 : Intensive English-Intermediate Level-Listening

**Credits 6**

This course is for non-native English speakers who wish to improve their English. The course will focus on listening and speaking skills at the intermediate level. This class will include students from multiple sections.

**Prerequisites**

On-campus assessment in all skill areas or successful completion of [IELS 83](#). Non-transferable.

**Course Outcomes**

Express ideas fluently, accurately, and appropriately in spoken American English at an intermediate level.

Comprehend and respond appropriately to spoken American English at an intermediate ESL level.

Demonstrate intermediate knowledge and use of American cultural conventions in oral communications.
