

International Student Programs

International Student and Faculty Services (ISFS) at Peninsula College provides services to international students attending the college. Our multilingual staff is always ready to provide information and help on academic concerns, immigration procedures, transcript evaluation, housing, student life, and transferring. The ISFS office also provides assistance to U.S. students who wish to study abroad. Contact ISFS at (360) 417-6491 or international@pencol.edu for information or assistance.
