

# LEGAL 250 : Paralegal Internship

**Credits 1**

-5

**Quarter Offered** Fall, Winter, Spring

Work-place learning in a legal services office. Aid attorneys with legal research, interview and provide advice to clients, and assist in case planning. Assist with development of self-help materials for pro-se litigants, training materials for staff and clients, and work on other special projects depending on the needs of the office. This class may include students from multiple sections.

**Course Outcomes**

- Conduct legal research and analysis.

- Conduct scientific research and analysis.

- Draft memoranda, affidavits and briefs.

- Research prospects for new litigation, including both factual and legal claims.

- Assist with the development of litigation strategies.

- Prepare reports, training and advocacy materials.
