## **Course Outcomes**

Read closely to determine what the text says explicitly and to make logical inferences from it; cite specific textual evidence.

Determine central ideas or themes of a text and analyze their development; summarize the key supporting details and ideas.

Interpret words and phrases as they are used in a text, including determining technical, connotative, and figurative meanings.

Produce clear and coherent writing in which the development, organization, and style are appropriate to task, purpose, and audience.

Develop and strengthen writing as needed by planning, revising, editing, rewriting, or trying a new approach.

Gather relevant information from multiple print and digital sources, assess the credibility and accuracy of each source, and integrate the information while avoiding plagiarism.
