Community Education

Community education courses are offered on all three campuses, and other locations throughout the region as well as online. These courses provide lifelong learning and self-enrichment opportunities in many areas of study, including professional development and job training.

Community Education courses and career training programs are offered online through the ED2GO Program. Through this program, a wide range of highly interactive six-week courses are available that a student can take entirely online. Visit www.pencol.edu/ce/online-cours-es-and-career-programs for more information on online class options.

A quarterly schedule describing Community Education courses offered throughout the region is available on the website prior to each quarter. Limited summer courses are also offered. For additional information, visit: www.pencol.edu/ce.
