The Peninsula College Athletic Program, winners of 11 Northwest Athletic Conference (NWAC) championships and 20 league championships over the last eight years, features men's and women's soccer, men's and women's basketball and esports. We take great pride in offering a university-quality athletic experience at the community college level. With the tremendous support of our community, and the Peninsula College Foundation, we offer the maximum amount of scholarships allowed by the Northwest Athletic Conference.

The NWAC is made up of community colleges from Washington, Oregon, Idaho and British Columbia. Peninsula plays in the North Division. Our mission is to create a transformative experience for student athletes that is focused on building character, promoting high academic achievement and community service, winning championships, and moving our athletes on to the next level. Our vision is to provide a program for student athletes that is committed to excellence in every arena.

Off the field, Peninsula College athletes participate in community service projects and play a significant role in the development of young players through the Peninsula Soccer Academy and Peninsula Basketball Camps, as well as engagement in elementary, middle school and high school mentorship programs and school clinics.

With the 2019-2020 addition of the fastest-growing sport in college athletics, esports, Peninsula College has a fifth athletic program that will strive to provide the same student athlete experience as soccer and basketball.
