In Fall 2016, Peninsula College moved to its newly renovated home—Building 202—on the campus of historic Fort Worden in Port Townsend. Building 202 offers state of the art classrooms and easy access to the beautiful grounds and diverse cultural and learning opportunities available at the fort. At Fort Worden, East Jefferson County residents can complete their Associate of Arts Degree, Associate of Applied Science Degree, or a number of technical certificates without leaving home. Basic Education, English as a Second Language, GED® classes, and professional development and business training round out the local offerings. A full range of student services is available.
