We serve a population diverse in age, geographical origin, and cultural background. In recognition of this diversity, an effort is made to offer and assist with a broad range of activities outside the classroom to encourage the greatest possible personal development. Some activities are provided through the efforts of student government; others are encouraged by interest groups.

Student Government

The Associated Students are governed by the Associated Student Council (ASC), which is comprised of 11 officers. This group plans activities for all students and allocates funds for campus student activities and organizations. For more information about student government and the ASC Constitution visit pencol.edu.

Clubs and Organizations

Students are encouraged to participate in student clubs and organizations. Information about joining clubs, or forming new clubs, is available at pencol.edu/student-life/student-government-asc.
