

DS 290 : Directed Research

Credits 1-5

Quarter Offered Occasionally

Directed Research is an in-depth learning opportunity offered to students where their abilities and interests indicate they would benefit from a highly focused task under the direction of an individual faculty member. The student is responsible for finding a sponsoring faculty member. This class may include students from multiple sections. (Elective)

Prerequisites

All arrangements must be made with the instructor prior to enrollment

Course Outcomes

Learning outcomes vary according to project
