

HSEM 200 : Emergency Operations Center

Credits 2

Quarter Offered Fall, Summer

This course provides the student with skills and knowledge to manage an Emergency Operations Center (EOC), acquire and control resources, and interface with on scene responders within Incident Management Systems. Topics include EOC design, preparing, staffing and operating, jurisdictional setting, and the critical link between Incident Management Systems and emergency management operations. This class may include students from multiple sections.

Prerequisites

2.0 or higher in [HSEM 102](#) or concurrent enrollment
