

MED 200 : Medical Assisting Capstone

Credits 3

Quarter Offered Fall

Overview of job readiness, medical assisting certification exam preparation, credentialing application preparation, portfolio development, and networking in the medical assisting field. Students should be enrolled in this course their last quarter of the program, either concurrently with [MED 165](#) or after its completion. Former students seeking a 'refresher' on professional development or credentialing test preparation may register. This class may include students from multiple sections.

Prerequisites

Medical Assisting Program Admittance
