**Degree Type**

Transfer Degree

**Offered Online**

Yes

The Associate in Business degree is designed as a Direct Transfer Agreement/Major Related Program (DTA/MRP) for transfer with junior standing to baccalaureate institutions. It is generally pursued by students who plan to transfer to a four-year university as a business major after completing their first two years at Peninsula College.

Students are responsible for checking specific requirements of their intended transfer institution, including overall minimum GPA and course choices. A higher GPA in a selected subset of courses or a specific minimum grade in one or more courses, such as math or English, may be required. Students are urged to consult the catalog of the institution for which they plan to transfer. To earn this degree you must complete a minimum of 90 credits in courses required by the DTA.
