Program Description

Complete your Business Administration Entrepreneurship Foundations, Associate in Applied Science (AAS). The Washington State Workforce Training & Education Coordinating Board reports a skill gap in accounting jobs where the accounting jobs exceed worker supply. Jobs in business administration exist in a wide variety of career paths. Students develop a foundation of knowledge in accounting, management, business, entrepreneurship and application software related to business and communication.

Program Length: 6 Quarters
Program Code: BAMBEAPT

Career Opportunities and Earnings

Previous graduates have found employment in education, government, private industry, and self-employment. The accounting-related occupation has been identified as a high demand field in Washington state. Many of the new accounting positions will be created in small, rapidly growing businesses. The demand for persons trained in this field should remain strong over the next several years.

- Accounting
- Accounts payable/receivable
- Banking
- Bookkeeping
- Paraprofessional position in CPA firm
- Payroll
- Tax preparer

For current employment and wage estimates, please visit and search for the relevant occupational term: [bls.gov/oes](https://www.bls.gov/oes).

Program Outcomes

When this program is completed, the student will be able to:

- Prepare and analyze company financial statements
- Apply qualitative and quantitative methods for critical thinking and problem solving
- Formulate a personal code of ethical behavior as it relates to a modern business environment
- Write and present a business plan

- Analyze market trends and innovation for new opportunities
- Utilize electronic technology, including accessing information from various sources
- Recognize and analyze how economic forces shape the environment of business and decision making
- Demonstrate competency in written and oral communication
- Identify and apply management skills and concepts that can be applied in a wide variety of situations
- Communicate in writing for a variety of purposes and audiences
- Demonstrate competencies to succeed in the selected career pathway workplace
- Demonstrate an understanding of marketing principles to promote a company

Special Features

- Short-term certificates of proficiency, which include courses within the program, are offered to provide students benchmarks of achievement leading to degree completion
- Classroom instruction and practical experiences are combined into a course of study that provides students with broad exposure to the principles and philosophies of business and management
- Students can continue their academic studies at Peninsula College in the Bachelor of Applied Management degree (BAS). Please contact the BAS advisor for additional prerequisite requirements at BAS@pencol.edu

Program Goals

- Prepare students for a variety of business related job opportunities
- Prepare students for a rapidly changing business environment
- Measure and assess student learning and implement improvements to ensure a high quality program
- Monitor the needs of the business community and maintain the relevancy of program curriculum through advisory committee meetings and program reviews

Approximate Additional Costs

- Books, supplies and miscellaneous fees (per quarter): \$200 - \$500
- Calculator (recommended): \$30
