The Emergency Medical Technician (EMT) program prepares individuals to assist EMT Paramedics, under the supervision of a physician, to prepare and transport ill or injured patients, and to operate emergency vehicles and equipment such as life support units. Includes instruction in first aid and emergency medicine field techniques; patient stabilization and care; medical field communications; equipment operation and maintenance; and applicable standards and regulations.

There are two parts to enrolling in the EMT class:

1. Apply to Peninsula College.
2. Apply to the EMT Program by filling out the [EMT Class Application](#).
