

Degree Guide:

Teacher Education Emphasis, Associate in Arts Direct Transfer Agreement (AA-DTA)

Program

[Education \(EDUC/EDUC&\)](#)

Degree Type

Transfer Degree-Emphasis

Overview

Complete your [Associate in Arts Degree, Direct Transfer Agreement \(AA-DTA\)](#) with an emphasis in Teacher Education in preparation for transferring to a four-year university.

Sample Schedule

This Sample Schedule is provided as a guide for a full-time student starting in fall quarter whose goal is to earn the Associate in Arts Direct Transfer Agreement (AA-DTA). The courses are designed with the appropriate number of credits to meet degree requirements and are organized in a recommended sequence. Please consult an advisor to schedule courses and develop a personalized educational plan.

Your personal Educational Plan will vary based on many factors including:

- The quarter you begin
- How many classes/credits you plan to take in each quarter
- Your Math and English placement
- If you have credits you have already taken and plan to transfer them
- The college you are interested in transferring to
- If you start in our [Transitional Studies](#) program

Transfer and Degree Requirements

Students working toward their transfer degree typically take a variety of courses designed to fulfill the general requirements of most four-year colleges and universities. **Students intending to transfer to a four-year college for further study are encouraged to work closely with their advisor and transfer institution to explore the requirements of the college they wish to attend after Peninsula.** Most institutions have separate admission criteria, which may be based on grades, prerequisite coursework, test scores, and other considerations. Our Sample Schedule is designed to provide you with faculty recommended courses to complete your Associate in Arts Direct Transfer Agreement (AA-DTA) degree with an emphasis in Teacher Education and is not a major ready pathway for every institution.

[Transfer Institution Information](#)

Students can continue their academic studies at Peninsula College in the [Bachelor of Applied Management degree \(BAS\)](#). Please contact the BAS advisor for additional information at BAS@pencol.edu.

Students must select credits from three [distribution lists](#): Natural Sciences, Social Sciences, and Humanities. A specific course may be credited toward no more than one distribution requirement. A minimum of fifteen credits in two separate subject areas must be selected from each list. For Natural Sciences, at least five credits must be a lab. For Humanities, no more than five credits can be a Humanities-Performance course and no more than five credits may be applied in world languages at the 100 level.

Program Outcomes

Program outcomes are listed on the [Area of Study webpage](#).

First Quarter

Meet with your advisor to talk about your long-term schedule and create an educational plan to complete your degree.

Catalog #	Course Title	Credits
COLL 101	College Success	5
ENGL& 101	English Composition I	5
SOC 115	Understanding Diversity	5

Second Quarter

You're doing it! Check in with your advisor to stay on track.

Catalog #	Course Title	Credits
EDUC& 115	Child Development	5
